Design your own rugby stadium

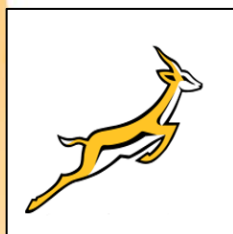

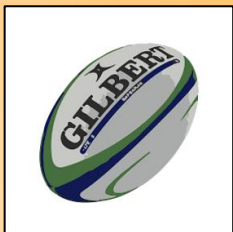

This activity can be done on the computer.

- Launch MS Paint.
- Click on the Oval or the Rounded Rectangle and to draw the stadium as it would look from above.
- Next, use the Rectangle Tool or the Rounded Rectangle to draw the grass of the rugby field.
- Draw the goal posts.
- Colour the stadium, the grass and the goal posts using the Fill with Colour Tool.
- Use the Rectangle Tool and draw two squares to represent the car park areas.
- Colour the car park areas and the background.
- Save and print your work.
